EXECUTIVE SUMMARY

hello report

OBJECTIVE

By compiling **{Company Subsidiary name}** Training Evaluation Report, your company will be able to monitor and assess the effectiveness of the training received. In addition, it would also ensure that the training provided by us is a necessity for each attendee based on existing training and for future training needs.

This report will provide the basis for both parties to identify room for improvement, especially for **{Company Subsidiary name}** in increasing the level of quality of the training provided. This would inadvertently improve and enhance the employees productivity which would contribute immensely to the business growth and profitability
